Dear Friends,

With this issue of **The Hialeah Update**, I would like to first say that I hope everyone enjoyed the Halloween festivities. As you can see below, we have been very busy promoting the city's services and facilities. I hope that everyone continues to stay safe throughout this holiday season.

Hialeah Receives Financial Award: The City of Hialeah has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada. This Certificate of Achievement is the highest form of recognition in the area of government accounting and financial reporting. This marks the first time the City of Hialeah has been chosen to receive this prestigious award, which will be presented to Mayor Julio Robaina at the November 13, 2007 City of Hialeah Council Meeting.

Miami Heat Rally in Hialeah: On October 27, 2007 Miami Heat players visited Bucky Dent Park in Hialeah in order to celebrate Hispanic Heritage Month. The Miami Heat Players and Dancers attended the event accompanied by Mayor Julio Robaina, whom presented a proclamation to the Miami Heat for their dedication and strong efforts in helping our community.

5th Anniversary of Hialeah Transit: October 19, 2007 marked Hialeah Transit's 5th year of operation. In celebration of this great event citizens were able to ride the bus for free all day. The City of Hialeah joined by Starbucks, Citibank, and Pacheco Discount Auto Parts celebrated this wonderful occasion with the residents of Hialeah. After a pleasurable ride on the Hialeah Transit, residents were able to enjoy some coffee at Starbucks and receive tote bags from Hialeah Transit with items such as coffee mugs, pens, and calendars from Citibank and Pacheco Discount Auto Parts.

Lights On After School: The City of Hialeah in partnership with the Florida After School Network sponsored Lights On After School Rally October 18, 2007 at Walker Community Center. The event was used as a call for expanding after school opportunities so that every child has access for an after school program and to discuss the harm that results from budget cuts. The event highlighted three of the significant contributions that after school programs make to the City of Hialeah: keeping kids safe and healthy, inspiring them to learn, and relieving working parents of the worries about their children's activities during the afternoon hours. For more information on Lights On After School visit www.afterschoolalliance.org.

Asbury Christian Visit Mayor Robaina at City Hall

Asbury Christian's 4th and 5th grade classes visited the Mayor on October 30, 2007 and received a tour of City Hall and the Courthouse. During this visit, they engaged in a Q/A session with Mayor Robaina.

Principal For A Day

Mayor Julio Robaina and his educational staff served as principals for a day on October 24, 2007 at Henry Flier Middle, Hialeah Miami Lakes Senior High, Hialeah Elementary, and Westland Hialeah Senior High.
