Back to School Immunization

Week of August 6, 2008
Over 900 children in a five
day period received their
immunizations.

Applebee's Ribbon Cutting

August 25, 2008

Fast Break Opening Day

September 5, 2008

Dear Friends,

With this issue of the Hialeah Update I would like to take the opportunity to inform you of the events and accomplishments that have been occurring around our city. From our kids starting school, to our wonderful city receiving awards this summer, I look forward to you coming out to our upcoming events and participating in helping make our community a better place.

City of Hialeah Educational Academy First Day of School:

On August 18, 2008 the first group of children that are set to graduate from the new City of Hialeah Educational Academy started school. Despite the fact that the building was not yet ready for them, the city was able to house the students at the near by Police Sector 5 Sub-Station and Fire Station #7. This academy will help those who wish to pursue a career in law enforcement and fire personnel. A total of 96 students are currently enrolled at the school. The ribbon cutting took place September 16, 2008 at 10:30am.

Hialeah Storm Water Polo Team Get Second Place:

This year at the Sunshine State Games, which took place July 18th through the 20th, our city's Water Polo Team finished in second place. It is with the utmost admiration that I congratulate the following team members: Raymond Martinez, Victor Whitaker, Roberto Ferreiro, Mauricio Orta, Ivan Adrian, Hansel Puentes, Fernando Palomo, Deandro Carreno, Jordan Milanes, Frank Rodriguez, Joan Gonzalez and Michael Guaty.

City Nominated For "Green" Award: Mayor Julio Robaina recently had the honor to announce the City of Hialeah's nomination for the Best Sustainable City in the USA Award. This prestigious award is presented by the Developers and Builders Alliance as part of the 6th Annual Community Advancement Awards, honoring outstanding individuals and organizations in the construction industry that have made major contributions to a community's growth and quality of life through their leadership, veracity and determination.

National Night Out: On August 5, 2008 the City of Hialeah, joined by the Hialeah Police Department hosted Crime and Drugs a big going away party. National Night Out was designed to heighten drug and crime prevention awareness, generate support and participation in local anti-crime programs, as well as strengthen neighborhood spirit and police-community partnerships. This event is a way of sending a message to criminals, letting them know that neighborhoods are organized and fighting back. The event took place at Police Sector 4 Sub-Station, and was a major success.
